Utility

Committed to Quality, dedicated to customers... We M/S. HEMSHEEL METAL MART established in the year 1986, and later on expanded to M/S. HEMRATNA STEEL in the year 1999, are one of India's leading manufacturer, involved in manufacturing of fine quality stainless steel utensils and offering a wide spectrum of products. in the initial stage we were supplier of utensils to the local consumers only, we have today due to our commendable services, emerged ourselves as a reputed kitchen utensils manufacturer under the brand name "DOLLY" and UNIVERSE. From day one, our company has always worked towards maintaining a benchmark standard in all our products that ensures customer satisfaction. We make sure to meet the expectations of our customers in 3 Qs:

- Quality
- Quantity
- Quick Service

With our 100% in-house production facilities and with the team of well skilled workers and professionals, we are specialized in maintaining the quality of products with lasting appeal. We are able to offer our clients an innovative range of stainless steel utensils products that are redefining stainless steel quality standards in the industry. Our commitment towards superior quality and customer satisfaction has helped us in making a mark in the Indian Stainless Steel Utensils market.
